Digital marketing is the marketing of products or services using digital technologies, mainly on the Internet, but also including mobile phones, display advertising, and any other digital medium.. Digital marketing's development since the 1990s and 2000s has changed the way brands and businesses use technology for marketing. As digital platforms are increasingly incorporated into marketing ...

When you think of leaders in the computing industry, your first thoughts probably turn to companies like Apple, Microsoft, and IBM. But flash back a few decades, and the leaders of those companies all wouldâ€™ve gladly bowed down to Digital Equipment Corporation, or DEC, who began paving the way for everyone starting in 1957.

A digital camera or digicam is a camera that captures photographs in digital memory. Most cameras produced today are digital, and while there are still dedicated digital cameras, many more are now incorporated into devices ranging from mobile devices to vehicles. However, high-end, high-definition dedicated cameras are still commonly used by professionals
