Bachelor of Business Administration | Schulich School of

Microfinance initially had a limited definition - the provision of microloans to poor entrepreneurs and small businesses lacking access to bank and related services. The two main mechanisms for the delivery of financial services to such clients were: (1) relationship-based banking for individual entrepreneurs and small businesses; and (2) group-based models, where several entrepreneurs come ...

VetBizCentral: Providing Veterans the right information

In recent decades, policy across the country has privileged the biggest corporations. Yet a growing body of research is proving something that many people already know: small-scale, locally owned businesses create communities that are more prosperous, entrepreneurial, connected, and generally better off across a wide range of metrics.
