Open educational resources (OER) are freely accessible, openly licensed text, media, and other digital assets that are useful for teaching, learning, and assessing as well as for research purposes. There is no universal usage of open file formats in OER.. The term OER describes publicly accessible materials and resources for any user to use, re-mix, improve and redistribute under some licenses.

### **Open educational resources - Wikipedia**

Of the many proposals to lower the cost of college textbooks, the model called "inclusive access" may have the best chance, as it creates incentives for publishers and students alike.
