This is the official website for the third edition of "Matching Supply with Demand: An Introduction to Operations Management" (McGraw Hill, 2011) by Gérard Cachon and Christian Terwiesch, the Wharton School, University of Pennsylvania.

Matching Supply with Demand: An Introduction to Operations

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...
