

saints blood the greatcoats pdf

The French Foreign Legion was created by Louis Philippe, the King of the French, on 10 March 1831 from the foreign regiments of the Kingdom of France. Recruits included soldiers from the recently disbanded Swiss and German foreign regiments of the Bourbon monarchy. The Royal Ordinance for the establishment of the new regiment specified that the foreigners recruited could only serve outside France.

French Foreign Legion - Wikipedia

China was ruled by the Daoguang Emperor of the Qing dynasty during the 1830s. The decade witnessed a rapid rise in the sale of opium in China, despite efforts by the Daoguang Emperor to end the trade. A turning point came in 1834, with the end of the monopoly of the British East India Company, leaving trade in the hands of private entrepreneurs. By 1838, opium sales climbed to 40,000 chests.
