Mathematica Policy Research presents searchable publications with the ability to filter by category, author, name and/or focus area

Publications from Mathematica Policy Research

In mathematics, one method of defining a group is by a presentation. One specifies a set S of generators so that every element of the group can be written as a product of powers of some of these generators, and a set R of relations among those generators. We then say G has presentation $\langle S, R \rangle$. Informally, G has the above presentation if it is the "freest group" generated by S subject only to the ...

CULTURE IN LANGUAGE LEARNING AND TEACHING - Reading Matrix

Thanks for this clear and highly useful practice guideline. I am excited to share it in my circles. I particularly like the emphasis on practicing differently each time as I have found that to be useful both for flexibility during the talk and also for discovering better ways to say things during the practice sessions that I can integrate into the "final" version.
