Should unhealthy snacks be removed from school vending machines? March 8, 2012 By Jeremy Quattlebaum, Student Voices staff writer Junk food and sugary snacks might be a little harder to find at school as the Obama administration has targeted the vending machines in its attempts to get the nation's youth healthier.

Speak Outs - Should unhealthy snacks be removed from

HUMAN Healthy Vending claims it's both helping entrepreneurs start their own lucrative vending businesses and helping to fight American obesity.. However, if HUMAN Healthy Vending turns out like the Revive Energy Mints vending franchise, the only thing American consumers will be losing is their life savings, credit ratings, and peace of mind.. Through a sales program allegedly run by William ...

The distribution of wealth is a comparison of the wealth of various members or groups in a society. It shows one aspect of economic heterogeneity.. The distribution of wealth differs from the income distribution in that it looks at the economic distribution of ownership of the assets in a society, rather than the current income of members of that society. . According to the International ...
