stop autism now a pdf

Our Mission. Generation Rescue is dedicated to recovery for children with autism spectrum disorders by providing guidance and support for medical treatment to directly improve the child's quality of life for all families in need.

Generation Rescue | Jenny McCarthy's Autism Organization

Autism is a developmental disorder characterized by difficulties with social interaction and communication, and by restricted and repetitive behavior. Parents usually notice signs during the first two or three years of their child's life. These signs often develop gradually, though some children with autism reach their developmental milestones at a normal pace before worsening.

Autism - Wikipedia

Practical Autism Resources was established by Kathryn Whitaker, Linda Mulley and Chris Knippenberg in 2009 in order to provide services and resources to the dedicated individuals who work with children with autism.

Autism spectrum disorder (ASD) is a developmental disability that can cause significant social, communication and behavioral challenges. There is often nothing about how people with ASD look that sets them apart from other people, but people with ASD may communicate, interact, behave, and learn in ways that are different from most other people.

Basics About Autism Spectrum Disorder (ASD) | NCBDDD | CDC

Autism spectrum disorder (ASD) is a developmental disability caused by differences in the brain. Scientists do not know yet exactly what causes these differences for most people with ASD.
